About the cartoons:

Pickles & Lota are two imaginary characters created by Goda. Through them, she attempts to bring out witty, hoary and slapstick humour, in just another ordinary day, in a common man’s life by following their antics and observations about politics, philosophy and puns. Pickles & Lota also adventure into the daily lives of lawyers and by putting them in a different perspective, bring out the humour that are close to home. The legal cartoons are syndicated with Bar & Bench, a popular online legal journal. These cartoons are published on her Facebook page: www.facebook.com/picklesandlota

About the cartoonist:

Born and brought up in Bangalore, Goda is a lawyer by profession with a masters in law degree from London School of Economics, UK, a qualified company secretary and a proficient Veena artist. She can be contacted at: godaraghavan@gmail.com
